Bus Briefing 2021-2022

Our Bus Services

A comprehensive private bus service brings pupils into the College from a wide area, extending as far afield as Burbage, Nuneaton and Coventry to the north, Lutterworth and Daventry to the east, Stratford-upon-Avon and Banbury to the south and Solihull and Henley-in-Arden to the west.

Around half of the school population use the services across twelve routes, which are operated by Catteralls of Southam and Riddleys of Leamington. All of their drivers are child safeguarding and first aid trained, and where possible regular drivers operate the routes.

We are constantly monitoring our services and looking for improvements. We welcome feedback and suggestions to buses@princethorpe.co.uk.

COVID-19 Measures

The latest guidance from the DfE is as follows:

The government has removed the requirement to wear face coverings in law but expects and recommends that they are worn in enclosed and crowded spaces where you may come into contact with people you don't normally meet. This includes public transport and dedicated transport to school or college.

We will therefore continue for the time being with some of the measures put in place last year to keep pupils and staff safe.

Namely:

- Masks or face coverings recommended to be worn on buses at all times, unless your child is exempt. Please contact Mrs Sharpe – Deputy Head - Pastoral if you have any concerns or queries relation to this.
- Seats will be zoned on the buses based on year group. Bus pass holders are required to sit in their allocated seat within their bubble. You will be notified by email of your child's seat number prior to the start of term. Ad hoc users should sit in spare seats in their year group bubble, please see Vectare website and *The Flagpole* for the Ad hoc AM and PM bus plans.

Bus booking system

Our bus booking system is operated in partnership with Vectare and can be accessed at <https://princethorpe.vectare.co.uk>.

As well as availability, the site shows clear information on all bus routes, stops and fare information and the latest Bus Briefing document. It also features any latest service news or alerts. The site also has the facility for you to input your postcode to find the closest stop to your home.

Booking a new pass or ad hoc journeys

Those families wishing to book a new single or return bus pass, or individual ad hoc journeys, will need to do so on the system by first setting up an account. Existing single or return bus pass users will have had their account rolled forward to the new academic year unless we were notified otherwise.

Bus passes are booked on an annual basis and you will be invoiced termly, starting with the Michaelmas Term fees.

Payment must be made by the start of each term in order to guarantee the place. **Should you wish to give notice please do so at least one half term before by emailing buses@princethorpe.co.uk.**

Pupils should only travel on the bus service they are registered on. Should you require a change of any sort, change of stop, change of type of pass etc please inform Barbara Bromwich on 01926 634263 or buses@princethorpe.co.uk, who will make the necessary changes on the system for you.

All pass holders and regular ad hoc users are issued with a swipe card and must swipe on the bus in the morning, and on and off the bus in the afternoon. Replacement swipe cards cost £10 each.

Ad hoc users

All ad hoc users must pre-book a seat to travel. A £10 penalty fare will be charged per journey for those who fail to do so.

Those booking occasional individual ad hoc journeys must download a booking confirmation for each journey on to their mobile phone to show when boarding or alighting the bus.

Ad hoc journeys can be booked up to 10 minutes prior to the service's departure, as long as there is sufficient availability.

Safety

The safety of pupils using the bus service is of paramount importance.

We ask parents to talk to their children about how to keep safe going to and from the bus stop and ensure they know what to do if the bus doesn't arrive. There is a briefing for pupils who use the bus service at the start of each academic year.

The College's risk assessment of the bus service is published on *My School Portal* and is sent out via *The Flagpole* at the start of each academic year and whenever changes are made.

Expectations of pupils

We expect all bus users to behave with maturity, courtesy and respect whilst travelling to and from school. Pupils must stay seated and wear seat belts at all times. Bags should be safely out of the aisle and not on seats; larger bags must be stored in the boot or hold. Sixth Form pupils act as supervisors on buses and should be listened to and obeyed.

Unacceptable behaviour on the buses is deemed very serious. Pupils will be excluded from using buses if their behaviour does not meet the expected standards.

Bus passes

Swipe cards are issued to new bus pass holders during the first week of term. Pupils may simply board the bus in the first week of the year, as long as bus fares have been paid. Thereafter, all bus users will need to present a swipe card or a mobile confirmation for each journey.

Our bus team are in attendance each morning and evening to ensure safety. Swipe card usage and ticket confirmations are checked as buses arrive and in the evening before buses are boarded.

Swipe cards should be shown for every journey, failure to produce a card on five occasions will lead to a replacement card being automatically issued at a cost of £10, which will be added to the school bill.

Unless we have heard to the contrary, for existing pupils, we have assumed that stops used last year will continue for the coming year.

We reserve the right to impose a penalty fare if there is frequent non-compliance on the part of a specific individual who is unable to show a swipe card or mobile confirmation. Defaced cards will be confiscated and replaced automatically at a cost of £10.

Changes to Services 2021

This information applies to bus services with effect from Monday 6 September 2021.

There have been small changes to a few routes which are outlined below.

Service S3

The Hampton-in-Arden stop is suspended for the year due to HS2 works.

Service S6

Additional stop at Tesco Express, Banbury Road, one minute later stop at Loxley Road. Other timings not impacted.

NOTE: We currently have a few stops in operation as bus passes have been purchased at the start/end of a route. These are:

- S4 Burbage stops
- S10 North Kilworth and Gilmorton

Should circumstances change the College reserves the right to suspend any of these stops until such time as further passes are purchased.

The S10 and S11 also have stops towards the start of the route which are in grey to indicate these are currently suspended, but can be reinstated if a single or return bus pass is purchased.

The timetable

Services are of course subject to conditions which are sometimes out of our control, such as roadworks, accidents or the great British weather.

We will alert parents about delays or roadworks via email or text messages, so please notify buses@princethorpe.co.uk if your child starts using a different stop. You can also follow the Bus Twitter account @Pcbuses for updates and news.

Broadly speaking the buses operate to time, however the nationally adopted standard is a tolerance of one minute early to five minutes late, so pupils need to be standing at stops within this six-minute window and be ready to board the bus. Timings may vary due to traffic conditions or unforeseen circumstances. Drivers will not wait past the scheduled departure time.

Advice to pupils - If your bus is late in the morning

- Wait 20 minutes – then the most senior student at the stop should ring the bus company:
Catteralls of Southam Tel 01926 813840 or 07917 121591;
Ridleys of Leamington Spa Tel 01926 430130
(These numbers are in the homework diary)
- If the bus does not arrive when the company says it will, ring school, 01926 634200 - you will be told what to do.
- Always wait at the bus stop – if a bus breaks down it can take up to an hour to organise a replacement.

DO NOT go back home unless told to do so by school.

Advice to pupils - After school

All buses leave at the end of the school day and depart at 3.55pm prompt.

Always take the correct route and follow instructions from members of staff when getting to your bus. It can be very busy with cars, so please take care and stay safe.

Arrangements need to be made for collection of those children staying on for co-curricular activities until 5.15pm or Princethorpe Prep until 6.00pm.
